Notes:

- Actual circumstances for application for re-instatement as well as the procedure may vary. Each file will be addressed individually by the Registrar, the Admissions Board and the Council.
- Applications for re-instatement and all supporting or requested materials must be submitted to the Registrar for compilation and presentation to the Admissions Board and Council.
- All procedures are subject to fees as per the current Schedule A.
- CPD reports are required for all lapsed years to demonstrate competence in all cases.
- Successful completion of the NPPE is required in all cases where registration has lapsed for 5 years or more.
- Each application for re-instatement is subject to review by the Registrar, the Admissions Board and approval by Council. Council may waive or require additional procedures. Council's decision may be appealed to the Admissions Review Committee (ARC) within 30 days (appeal fee \$625.00). The decision of the ARC is final.
- If questions arise regarding the policy and/or procedure regarding re-instatement, contact the Registrar (registrar@geoscientistsns.ca; 902-420-9928)
