## CONCEPT AND CONDITIONS OF THE AWARD

The award is established to honour an eminent and exemplary member of Geoscientists Nova Scotia (Association of Professional Geoscientists of Nova Scotia) who is also a valuable contributing member of the Nova Scotia, Canadian or global geoscience community. It is awarded to a Professional Geoscientist to recognize outstanding contribution(s) to the development and/or practice of professional geoscience, who advances public recognition of the practice of professional geoscience in Nova Scotia, and does so with the high levels of dedication and integrity.

The Award is normally given to an outstanding Professional Geoscientist in mid to late career, however outstanding candidates who have retired and are therefore no longer practicing are also eligible. The candidate will have been actively engaged in the practice of geoscience and must have been registered as a member of Geoscientists Nova Scotia for more than 5 years. Current members of Geoscientists Nova Scotia Council are excluded from receiving the Award and the Award will not be awarded posthumously.

Award nominations will be evaluated according to the following major categories:

**Excellence in Geoscience: 70 %**

Outstanding technical accomplishments; exploration/development successes; building the workplace  
(corporate or academic)

**Building the Geoscience Profession: 20 %**

Commitment to APGNS and the profession; representation provincially, nationally and/or internationally, assisting in the development of Standards/Professional Practice Codes/Guidelines; Professional Geoscience Education/Promotion

**Service to the Community: 10 %**

Outstanding contributions to the well-being of the community
